

The Rise of PNG New Banks

Addressing critical gaps

- Financial inclusion
- Building MSMEs and support job creation
- Supporting large businesses and corporates
- Prioritizing financial literacy & responsible banking
- Leading with ethical and sustainable banking practices
- Strengthening collaboration within the banking sector

Expand access to banking services to ALL Papua New Guineans.

Supporting financial inclusion for all.

All citizens, regardless of location or background must have access to banking services.

Bringing services closer to home.

Our commitment is to create appropriate but secure digital innovations, mobile banking and expanding our footprint.

Building MSMEs and supporting job creation.

Thriving small businesses and entrepreneurs.

MSMEs are essential to job creation, supporting families and driving local industries.

Get the financing they need to grow and be sustainable.

Our commitment is to create financial products and solutions design to help them navigate the challenges, invest in their growth and contribute to job and wealth creation.

Supporting large businesses and corporates.

 Large businesses and corporates are also key to driving national development.

 Our commitment is to provide tailored financial solutions they need for their business.

Leading with ethical and sustainable banking practices.

- Priorities long-term benefits over short-term profits.
- Our decisions are values-based and shaped by social, environmental, and financial considerations.

Strengthening collaboration within the banking sector.

Working in collaboration and partnership with key stakeholders to address systemic issues, drive innovation, and create a competitive yet cooperative environment.

By fostering financial inclusion, supporting MSMEs and large businesses, and leading with values-driven banking, TISA Bank is ready to contribute to building a resilient banking sector in PNG.
